INDEPENDENT AUDITOR'S REPORT

To The Board of Directors United Way of Northeast Georgia, Inc. Athens, Georgia

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of United Way of Northeast Georgia, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Northeast Georgia, Inc. as December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of Northeast Georgia, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Northeast Georgia, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis,
 evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of Northeast Georgia, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Northeast Georgia, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND NATURE OF OPERATIONS

The United Way of Northeast Georgia, Inc. makes positive, sustained, and measurable change through: identifying regional needs; collecting, sharing, and removing barriers to local resources; and building nonprofit capacity. We envision a region where everyone has the opportunity and resources to grow, succeed, and thrive. This is accomplished through annual fund drives for the benefit of approved agency programs. United Way of Northeast Georgia, Inc. is exempt from federal and state income taxation under Section 501(c)(3) of the Internal Revenue Code.

Northeast Georgia Campaign

Organized in 1952, the United Way of Northeast Georgia, Inc. serves twelve counties of Northeast Georgia.

Planned Giving

A planned gift to United Way of Northeast Georgia, Inc. is a contribution that is arranged in the present and allocated at a future date. Commonly donated through a will or trust, planned gifts are most often granted once the donor has passed away.

Women United

The Women United program was formed for women to advocate issues important to them and take a leadership role in advancing United Way's work in Northeast Georgia.

211 Program

The 211 program helps build local community capacity by streamlining the process of giving and receiving help. The service covers 15 counties in the Northeast Georgia region. 211 service delivery includes database development and maintenance, resource development, community outreach and marketing of 211, and supervision of 211 volunteers. This department works closely with the United Way of Greater Atlanta's 211 database manager, service providers, community members, key community leaders, and investors to support the accessibility of quality information and referral to Northeast Georgia.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Organization have been prepared on the accrual basis of accounting, and accordingly, reflect all significant receivables, payables and other liabilities. Revenues are recorded when earned and expenses are recorded when incurred.

FINANCIAL STATEMENT PRESENTATION

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") No. 958, *Financial Statements of Not-for-Profit Organizations*. Under FASB ASC No. 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

NET ASSETS

Net assets, revenues, gains and losses are classified based on the existence or absence or donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor- (or certain grantor) imposed restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve, and board-designated endowment.

Net Assets with Donor Restrictions - Net assets subject to donor- (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. We report contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. We report conditional contributions restricted by donors as increases in net assets without donor restrictions if the restrictions and conditions expire simultaneously in the reporting period.

Earnings related to restricted net assets will be included in net assets without donor-restrictions unless otherwise specifically required to be included in donor-restricted net assets by the donor or by applicable state law.

CASH, CASH EQUIVALENTS, AND RESTRICTED CASH

The Organization maintains all cash in bank deposit accounts, which at times may exceed federally insured limits. These deposit accounts have been placed with financial institutions that the Organizations believes to be creditworthy. The Organization has not experienced, nor does it anticipate any losses in relation to such accounts. The Organization considers all highly liquid investments purchased with an original maturity date of three months or less to be cash equivalents.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

INCOME TAX

The Organization's activities are generally exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Since the Organization is exempt from federal and state income tax liability, no provision is made for current or deferred income tax expense.

Income tax benefits are recognized for income tax positions taken, or expected to be taken, in a tax return only when it is determined that the income tax position will more likely than not be sustained upon examination by taxing authorities. The Organization has analyzed its tax positions taken for filings with the Internal Revenue Service. The Organization believes that its income tax filing positions will be sustained upon examination and

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results in operations, or cash flows. Accordingly, the Center has not recorded any tax assets or liabilities, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2023. The Organization would recognize interest and penalties, if any, related to unrecognized tax benefits in interest expense.

All tax-exempt entities are subject to review and audit by federal, state, and other applicable agencies. Such agencies may review the taxability of unrelated business income, or the qualification of the tax-exempt organization under the Internal Revenue Code and applicable state statutes. There currently are no audits of the Organization's returns in progress.

INVESTMENTS

The Organization follows the FASB ASC 958, *Not-For-Profit Entities*, which establishes external reporting standards for not-for-profit organizations. Standards for accounting for investments in equity securities and debt instruments are contained in FASB ASC 958-320, Investments-Debt and Equity Securities. Investments are stated at fair value. The fair value of debt securities and marketable equity securities are based on quoted market prices at the date of the financial statements. The investments are subject to various risks such as interest rate, credit and overall market volatility, which may substantially affect the value of the investments. Investments are stated at their current market value at December 31, 2023.

BENEFICIAL INTEREST IN FUNDS HELD BY OTHERS

Beneficial interests in assets held by others represent investments held by the Athens Area Community Foundation, Inc. (AACF, Inc.) are comprised of pooled accounts. Pooled accounts are comprised of broad asset category types including bond funds, mutual funds and cash equivalents. The underlying holdings are based on unadjusted quoted market prices. Realized and unrealized gains and losses are included in the accompanying Statement of Activities as increases or decreases in the appropriate class of net assets.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The Organization adopted the provisions of FASB ASC 820, Fair Value Measurements and Disclosure. FASB ASC 820 defines fair value and establishes a hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets that may include quoted prices for similar assets or liabilities or other inputs, which are corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

CONTRIBUTIONS - PUBLIC SUPPORT

Contributions represent public support and are recognized when the donor makes a promise to give that is, in substance, unconditional. Contributions received are recorded as unrestricted or restricted depending on the existence and/or nature of donor restrictions. When a restriction expires, restricted net assets are reclassified to unrestricted net assets. The Organization uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on management's experience in prior years and management's analysis of specific promises to give.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Campaign results may include:

- Unrestricted local campaign pledges and donations.
- Local campaign pledges restricted by donors to another not-for-profit agency or other United Way programs (referred to as donor choice).
- Campaign pledges from other United Ways designated to United Way of Northeast Georgia, Inc.
- Donor-designated amounts raised on behalf of others restricted to support agencies not supported by the United Way of Northeast Georgia, Inc. (referred to as donor choice).

CAMPAIGN PLEDGES RECEIVABLE

Annual campaign pledges are generally available for unrestricted use in the related campaign year. Pledges receivable are valued at the amount pledged, less an allowance for estimated uncollectible amounts.

PROPERTY AND EQUIPMENT

Property and equipment are stated at cost or at estimated fair value at the date of the donation. Donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. The Organization capitalizes all assets with an estimated useful life of more than one year and a cost in excess of \$5,000. Depreciation is computed using the straight-line method over the following estimated useful lives as follows:

Office Building 40 years Equipment and Furniture 3 - 10 years

Repair and maintenance costs, which are not considered improvements and do not extend the useful life of property and equipment, are charged to expense as incurred. When property and equipment are retired or otherwise disposed of, the asset and accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in the statement of activities. (Note 5).

CONTRIBUTED SERVICES

The Organization follows the provisions of FASB ASC 958, *Not-For-Profit Entities*, which indicates recognition of contributed services should be recognized only if the service creates or enhances a non-financial asset or the service provides specialized skills that would need to be purchased if not provided by donation. Accordingly, no contributions for volunteer services are recognized in the statement of activities.

Management estimates that volunteers contributed approximately 2399 hours during the year ended December 31, 2023. The fair value of these services represents a significant contribution to the Organization that is not recognized on the Statement of Activities. Based on the latest Bureau of Labor statistics and the information furnished to not-for-profit organizations by the Independent Sector, the hourly value of volunteer time in Georgia is \$33.49 per hour. The resulting value of volunteer time to the Organization would approximate a contribution of \$80,343.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

AGENCY DISTRIBUTIONS

Amounts which have been awarded to specific agencies in the current year to be disbursed by the end of the next year. Those amounts not distributed as of December 31, 2023, are reflected in the accompanying Statement of Financial Position as "Agency Distributions".

FUNCTIONAL EXPENSES ALLOCATION

The cost of providing various programs, services and other activities have been summarized and categorized on a functional basis in the accompanying Statement of Activities and the Statement of Functional Expenses as either Program Services or Supporting Services. Specific expenses that are readily identifiable to a single program or activity are charged directly to that function. However, certain expenses relate to more than one function and are allocated between program and supporting services based on estimates made by management.

COMPENSATED ABSENCES

Employees of the Organization are entitled to paid vacation, depending on job classification, length of service and other factors. Any unused vacation on December 31st is forfeited. The Organization's policy is to recognize the cost of compensation when actually paid to employees.

STATEMENT OF CASH FLOWS

The Statement of Cash Flows is intended to reflect only receipt and payment activities arising from cash transactions. The Statement of Cash Flows does not reflect immaterial non-cash investing activities.

RECENT ACCOUNTING PRONOUNCEMENTS

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments - Credit Losses* (Topic 326), related to the impairment of certain financial instruments. This guidance, which is commonly referred to as current expected credit losses (CECL), changes impairment recognition to an expected loss model rather than the previous model, which is based on incurred losses. The measurement of expected credit losses using the CECL methodology is applicable to financial assets measured at amortized cost. The Organization adopted the new guidance effective January 1, 2023. The adoption of the new guidance did not have an impact on the Organization's net assets.

SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 20, 2024, which is the date the financial statements were available to be issued. As of this date, there are no material subsequent events that require adjustment to or disclosure in the financial statements for the year ended December 31, 2023.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 - <u>INVESTMENTS</u>

Investments other than cash and cash equivalents are stated at fair value. Fair values and the composition of the Organization's investments that are measured on a recurring basis at December 31, 2023, were as follows:

	Level 1		Lev	el 2	Lev	rel 3	Fa	Total ir Value
Cash and Cash Equivalents U.S. Treasury Bonds	\$	1,873 312,947	\$	- -	\$	- -	\$	1,873 312,947
Total Investments	\$	314,820	\$		\$		\$	314,820

Investments valued using Level 1 inputs are based on quoted prices in active markets that are accessible at the measurements date for identical assets.

FUNDS HELD BY ATHENS AREA COMMUNITY FOUNDATION

In August of 2014, the Organization entered into an Agency Fund Agreement with the Athens Area Community Foundation (AACF) to establish two endowment funds (Funds) for the benefit of the Organization. Initial contributions to the Funds included assets with donor-imposed restrictions and assets designated by the Board. The Funds were both organized as Quasi-endowments, which gives the Organization's representatives the ability to request a full distribution of Funds, which is subject to AACF Inc.'s approval. The Funds are subject to AACF Inc.'s investment and spending policies. AACF Inc.'s Board of Directors has approved a spending policy, which currently allows for a 5% distribution of the market value of the Funds as of the last day of the preceding year.

The following summarizes the activity and balances of the Funds held by AACF as of December 31, 2023:

	With Donor Restrictions 211 Program		Res	out Donor strictions Designated	 Funds Held y AACF
Funds Held by AACF, Inc Beginning of Year	\$	78,043	\$	319,984	\$ 398,027
Contributions Investment Income Unrealized Gains Fees	\$	1,770 10,560 (1,297)	\$	20,000 7,687 45,468 (2,030)	\$ 20,000 9,457 56,028 (3,327)
Funds Held by AACF, Inc End of Year	\$	89,076	\$	391,109	\$ 480,185

The Funds held by AACF are valued using Level 2 inputs, which are based on quoted market prices for similar investments in active or inactive markets. The value of the Funds held by AACF is determined using the net asset value method (NAV). The NAV is based on the Organization's allocable share of the market value of the underlying assets.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - PLEDGES RECEIVABLE

Pledges receivable at December 31, 2023, are expected to be collected as follows:

		Gross	Allo	owance for		Net
		Pledges		collectible		ledges
	Re	ceivable	A	mounts	Rec	ceivable
Pledges Receivable	\$	261,505	\$	164,036	\$	97,469

The United Way of Northeast Georgia, Inc. conducts its annual campaign in the last quarter of each calendar year to raise support for grants to participating agencies in the subsequent year.

The allowance for uncollectible pledges is an estimate based on management's knowledge of historical pledge collection rates.

NOTE 5 - PROPERTY AND EQUIPMENT

The following is a summary of property and equipment as of December 31, 2023:

Land	\$ 25,000

NOTE 9 - RETIREMENT PLANS

The Organization adopted a retirement plan effective January 1, 2020. The plan is a 403(b) thrift retirement plan for which all employees are eligible to participate. Contributions to the plan are based on the participants' salaries, of which the Organization matches up to 3% of the participants' contribution. Participants are 50% vested after one year of service time, and 100% vested after two years of service time. Investments are placed in Mutual of America's Interest Accumulated Fund at an interest rate set by Mutual of America. Employer contributions totaled \$8,716 for the year ended December 31, 2023.
